Children Group Menus

Ideal for groups of parents with children 12 years and under.

Menus can be customized to fit tastes and budget.

We include plates, cutlery and napkins.

For large groups we can provide staff to help with setup, serving and cleanup.

Generally team moms and event coordinators organize decorations, table covering and in many instances youth or parent helpers.

Most organize parents to bring desserts and beverages

We've handled hundreds of these types of events, so don't hesitate to call
